LYXOR JAPAN (TOPIX) (DR) UCITS ETF - DAILY HEDGED D-EUR (the "Fund")

ISIN: FR0011475078 - A collective investment scheme (FCP) domiciled in France.

Managed by Lyxor International Asset Management S.A.S. ("LIAM")

Objectives and investment policy

L'objectif d'investissement est de répliquer l'évolution à la hausse comme à la baisse de l'Indice TOPIX® Gross Total Return (code Bloomberg : TPXDDVD) ("l'Indice de Référence"), représentatif de toutes les actions ordinaires japonaises cotées sur le premier marché de la Bourse de Tokyo, tout en réduisant l'impact de l'évolution du cours de change Euro / Yen japonais, via une stratégie de couverture de change quotidienne.

The anticipated level of the tracking error under normal market conditions is expected to be 0.50%.

In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the Fund, and might also be mentioned on the websites of the stock exchanges where the Fund is listed.

The unit currency is the Euro (EUR).

- **Invested financial instruments:** IFT, titres internationaux, OPCVM, autres instruments financiers.
- **Recommended Investment Period:** the Fund may not be appropriate for investors who plan to withdraw their money within less than 5 ans.
- **Classification:** International Equities.
- **Dividend policy:** the Fund's amounts available for distribution will be distributed and/or reinvested.
- **Net Asset Value:** is daily calculated providing that the relevant stock exchanges are open for trading and orders can be covered.
- **Redemptions:** investors are able to redeem their units on the primary market every valuation day before 18:30 CET and sell their units on the secondary market at any time during trading hours on the Fund listing places.

Risk and reward profile

The risk-return category shown above is based on the historical performance of the assets included in the Fund, or of its benchmark index. This risk estimate may therefore not represent a reliable indicator of future risk, and may be subject to change over time. The lowest category does not mean risk free investment.

Resulting from its exposure to the Benchmark Index, the Fund has been classified within category 6. Category 6 indicates that it is possible to suffer a severe loss of capital under normal market conditions ; the value of your investment may change substantially and have quite large daily upside or downside variation.

Main risks not covered by the above indicator which could lead to a decrease in the net asset value of the Fund and which the Fund is authorized to disclose in this document (for more details about risks, please refer to the Risk Profile section of the prospectus): not applicable.

Charges for this Fund

The charges you pay are used to pay the costs of running the Fund including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

For any additional information regarding charges, please refer to the relevant charges section of the Fund prospectus, available at www.lyxoretf.com.

One-off charges taken before or after you invest
