

KEY INFORMATION FOR THE INVESTOR

This document provides essential information to investors in this fund. It is not a promotional document. The information that it contains is provided to you in accordance with a legal obligation in order to allow you to understand what an investment in this fund involves and what risks are associated with it. It is recommended that you read it in order to make an informed decision to invest or not.

Lyxor IBEX 35 (DR) UCITS ETF - Acc (the "Fund")

ISIN: FR0012205672 - Sub-Fund of the MULTI UNITS FRANCE investment company (the "Company") domiciled in France.

Managed by Lyxor International Asset Management S.A.S. ("LIAM")

Investment objectives and policies

The Fund is a passively managed index-linked UCITS.

The investment objective of the Fund is to track both upward and downward movements in the IBEX 35 Net Return (net dividends reinvested) (the "Benchmark Index"), denominated in EUR, Spain's principal stock index, while minimising the tracking error between the Fund's performance and the Benchmark Index's performance as much as possible.

The anticipated level of tracking error under normal market conditions is indicated in the Fund's prospectus.

Further information about Bolsa Madrid indices can be found on the Bolsa Madrid website (<http://www.bolsamadrid.es/ing.aspx/Indices/Resumen.aspx>).

The Fund aims to achieve its objective through direct replication by investing primarily in components of the Benchmark Index. The Fund may use a sampling technique to optimise Benchmark Index replication as well as guaranteed temporary sales of securities.

Any use of these techniques is indicated at www.lyxoretf.com.

Updated composition of the Fund holdings is available on www.lyxoretf.com.

In addition, the indicative net asset value appears on the Fund's Reuters and Bloomberg pages and may also be indicated on the websites of the exchanges where the Fund is listed.

The Fund is eligible for the French PEA (share savings plan) and therefore invests at least 75% of its assets in shares in companies in the European Union.

The share currency is the Euro (EUR).

Risk and return profile

The risk and return category given above is based on the historical performance of the Fund's component assets or the performance of its benchmark index or the simulated performance of a portfolio model. As such, this risk estimation cannot be a reliable indicator of future risk, and it could change over time. The lowest category does not mean a risk-free investment. The Fund has been classified as category 6 given its exposure to the Benchmark Index. Category 6 indicates that it is possible to suffer a very large capital loss, under normal market conditions, as the value of your investment could fluctuate strongly and quite quickly both upward and downward each day.

The significant risks for the UCITS not taken into account in the above-mentioned indicator and which could result in a decrease in the Fund's net asset value and which the Fund is authorised to include in this document (see the Risk Profile section of the prospectus for more information concerning the risks):

- **Counterparty risk:** The Fund is exposed to insolvency risk or any other type of default of any counterparty with which it enters into an agreement or transaction, particularly in the case of OTC futures or temporary sales of securities. Such an event could result in a significant decrease in the Fund's net asset value. In accordance with the regulations applicable to the Fund, this risk may not exceed 10% of the Fund's total assets for a specific counterparty.

Costs

The fees you pay cover the Fund's management costs, including promotion and distribution costs. These fees are deducted from the potential performance of your investment. For more information concerning costs, please refer to the Costs section of the Fund's prospectus, which is available at www.lyxoretf.com.

One-off fees deducted before or after investment	
Entry fees only applicable on the primary market:	Unearned by the sub-fund: at most, the higher of (i) 50,000 euros per subscription request and (ii) 5% of the net asset value per unit multiplied by the number of units subscribed.
