

KEY INVESTOR INFORMATION

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Lyxor Core STOXX Europe 600 (DR) - SE (the "Fund")

ISIN: LU0317841665 - A sub-fund of the investment company named Lyxor Index Fund (the "Company") domiciled in Luxembourg.
Managed by Lyxor International Asset Management S.A.S. ("LIAM")

Objectives and investment policy

The investment objective of the Fund is to track both the upward and the downward evolution of the Stoxx Europe 600 Net Return (net dividends reinvested) (the "Benchmark Index"), denominated in Euros and representative of the stock-market performance of the large European companies that pay the most dividends in their respective countries, while minimizing the volatility of the difference between the return of the Fund and the return of the Benchmark Index (tracking error).

The anticipated level of tracking error in normal market conditions is indicated in the prospectus.

Additional information about the Benchmark Index can be found at www.stoxx.com. The Fund seeks to achieve its objective via a direct replication, by investing primarily in the securities comprising the Benchmark Index.

To optimize the Benchmark Index replication, the Fund may use a sampling replication strategy.

The potential use of this technique is published on Lyxor's website: www.lyxoretf.com.

Updated composition of the Fund holdings is available on www.lyxoretf.com.

In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the Fund and might also be mentioned on the websites of the stock exchanges where the Fund is listed.

The share currency is the Euro (EUR).

- **Invested financial instruments:** Equities, Financial Derivatives Instruments.
- **Dividend policy:** all the Fund's amounts available for distribution (if any) shall not be distributed to Shareholders, but reinvested.
- **Net Asset Value:** the NAV per share is calculated on each Business Day in Luxembourg.
- **Redemptions:** redemption requests shall be received on any business day at or before 1:00 PM Luxembourg time to be executed on the NAV of the day calculated as of the following day.

Risk and reward profile

The risk-return category shown above is based on the historical performance of the assets included in the Fund or the performance of its benchmark index or the computed performance of a portfolio model. This risk estimate may therefore not represent a reliable indicator of future risk, and may be subject to change over time. The lowest category does not mean risk free investment. The Fund has been classified within category 5. Category 5 indicates that under normal market conditions a significant loss of capital is possible ; the value of your investment may change significantly and have above average daily upside or downside variation.

Main risks not covered by the above indicator which could lead to a decrease in the net asset value of the Fund and which the Fund is authorized to disclose in this document (for more details about risks, please refer to the Risk Profile section of the prospectus):

- **Operational risk:** In the event of an operational failure of the management company or one of its representatives, investors could experience loss, delay in processing subscriptions, conversions, redemptions orders or other type of disruptions.
