

KEY INVESTOR INFORMATION

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Lyxor iBoxx \$ Treasuries 1-3Y (DR) UCITS ETF - D-USD (the "Fund")

ISIN: LU1407887162 - A sub-fund of the investment company named MULTI UNITS LUXEMBOURG (the "Company") domiciled in Luxembourg. Managed by Lyxor International Asset Management S.A.S. ("LIAM")

Objectives and investment policy

The investment objective is to reflect the performance, whether positive or negative, of the Markit iBoxx USD Treasuries 1-3 Mid Price TCA index (Bloomberg code : IBXXABXL) (the "Benchmark Index"), denominated in USD and representative of United States "Treasury bonds" with maturities of 1 to 3 years.

The anticipated level of the tracking error under normal market conditions is expected to be 0.10%.

The Fund seeks to achieve its objective via a direct replication, by investing primarily in the securities comprising the Benchmark Index.

To optimize the Benchmark Index replication, the Fund may use a sampling replication strategy, and may also engaged in secured securities lending. The potential use of these techniques is published on Lyxor's website: www.lyxoretf.com. Updated composition of the Fund holdings is available on www.lyxoretf.com.

In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the Fund, and might also be mentioned on the websites of the stock exchanges where the Fund is listed.

The share currency is the US Dollar (USD).

- **Invested financial instruments:** bonds, FDI, UCITS, other financial instruments.
- **Dividend policy:** the Fund's amounts available for distribution (if any) will be distributed.
- **Net Asset Value:** is daily calculated providing that the relevant stock exchanges are open for trading and orders can be covered.
- **Redemptions:** investors are able to redeem their shares on the primary market every valuation day before 18:30 CET and sell their shares on the secondary market at any time during trading hours on the Fund listing places.

Risk and reward profile

The risk-return category shown above is based on the historical performance of the assets included in the Fund, or of its benchmark index. This risk estimate may therefore not represent a reliable indicator of future risk, and may be subject to change over time. The lowest category does not mean risk free investment.

Resulting from its exposure to the Benchmark Index, the Fund has been classified within category 2. Category 2 indicates that a capital loss is possible but very unlikely under normal market conditions.

Main risks not covered by the above indicator which could lead to a decrease in the net asset value of the Fund and which the Fund is authorized to disclose in this document (for more details about risks, please refer to the Risk Profile section of the prospectus):

- **Issuer credit risk:** the Fund could be affected by the change in an issuer credit quality which would modify the risk of issuer default and affect the bond's value.

Charges for this Fund

The charges you pay are used to pay the costs of running the Fund including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

For any additional information regarding charges, please refer to the relevant charges section of the Fund prospectus, available at www.lyxoretf.com.

One-off charges taken before or after you invest	
Entry Charge application on primary market only:	Not for the benefit of the Sub-Fund : at most the highest between (i) 50 000 Euro per subscription request and (ii) 5% of the net asset value per share multiplied by the number of shares subscribed.
