Lyxor Italia Equity PIR UCITS ETF - Acc (the "Fund")

ISIN: LU1605710802 - A sub-fund of the investment company named MULTI UNITS LUXEMBOURG (the "Company") domiciled in Luxembourg. Managed by Lyxor International Asset Management S.A.S. ("LIAM")

Objectives and investment policy

The investment objective of Fund is to track both the upward and the downward evolution of the FTSE MIB index and the FTSE Italia Mid Cap Index (the "Indexes") denominated in EUR and representative of the Italian large and mid cap equity market suitable for the "Piano Individuale di Risparmio a lungo termine" (PIR) under the Italian 2017 Budget Law and following amendments (the "PIR Law"), while minimizing the volatility of the difference between the return of the Fund and the return of the Index (the "Tracking Error").

The Fund seeks to achieve its objective via a direct replication, by investing primarily in the securities comprising the Benchmark Index.

To optimize the Benchmark Index replication, the Fund may use a sampling replication strategy, and may also engaged in secured securities lending. The potential use of these techniques is published on Lyxor's website: www.lyxoretf.com. Updated composition of the Fund holdings is available on www.lyxoretf.com.

The Fund's units are included among eligible investment that shall be held in a "Piano Individuale di Risparmio a lungo termine" (PIR) under the Italian 2017 Budget Law (Law N°232 of 11 December 2016) and following amendments. The Fund shall invest at least 70% of the portfolio in financial instruments, whether or not negotiated on a regulated market or on a multilateral trading facility, issued by, or entered into companies, which are resident in Italy, or in an EU or EEA Member State and have a permanent establishment in Italy. At least 30% of these financial instruments, which corresponds to 21% of the Fund's portfolio, shall be issued by companies which are not listed in the FTSE MIB index or in any equivalent indices.

In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the Fund, and might also be mentioned on the websites of the stock exchanges where the Fund is listed.

The share currency is the Euro (EUR).

- **Invested financial instruments:** Derivatives, International equities, UCITS
- **Dividend policy:** the Fund's amounts available for distribution (if any) shall not be distributed to Shareholders, but reinvested.
- **Net Asset Value:** is daily calculated providing that the relevant stock exchanges are open for trading and orders can be covered.

Risk and reward profile

The risk-return category shown above is based on the historical performance of the assets included in the Fund, or of its Strategy. This risk estimate may therefore not represent a reliable indicator of future risk, and may be subject to change over time. The lowest category does not mean risk free investment. Resulting from its exposure to the Strategy, the Fund has been classified within category 6. Category 6 indicates that it is possible to suffer a severe loss of capital under normal market conditions ; the value of your investment may change substantially and have quite large daily upside or downside variation.

Main risks not covered by the above indicator which could lead to a decrease in the net asset value of the Fund and which the Fund is authorized to disclose in this document (for more details about risks, please refer to the Risk Profile section of the prospectus):

- **Counterparty risk:** the Fund is exposed to the risk of bankruptcy, or any other type of default of the counterparty related to any trading transaction entered into by the Fund.
- **Risk of using FDI:** in order to reach its investment objective, the Fund enters into over-the-counter FDI which provide the performance of the Benchmark Index. The FDI could be affected by various risks such as change in law or tax events.
- **Fund Liquidity Risk:** the Fund's liquidity and/or value may be affected if, when rebalancing its exposure it is unable to execute trades in line with the index.
